**QWEST FOR AUTHORITY TO PROVIDE**  
**IN-REGION, INTERLATA SERVICE IN COLORADO,**

Eschelon Telecom, Inc. ("Eschelon") is submitting this Motion to file an Errata to our October 15, 2002 filing that provided comments in opposition to the application of Qwest Communications International, Inc. ("Qwest") for authorization under Section 271 of the Communications Act to provide in-region, interLATA service in the states of Colorado, Idaho, Iowa, Montana, Nebraska, North Dakota, Utah, Washington and Wyoming ("Qwest's Application").

The October 15, 2002 filing included Exhibit 35(b) that inadvertently included some trouble reports that should not have been included. The attached correction also would change the required repair percentage on page 38 of our Comments from 21% to 19.8%.

Eschelon respectfully requests the Commission grant this motion for the reasons  
stated.
